UIB UK

As one of the leading investment destinations for international business, “United Kingdom plc” offers many opportunities for overseas businesses. Doing business in the UK is not, like elsewhere, without risk and it is essential for any organisation to have a business risk management strategy. Arranging the right insurances is a key component of this plan.

In one of the world’s largest and most complex insurance industries, UIB UK’s specialist insurance advisors will support your business and protect your UK assets and liabilities.

ABOUT UIB UK

The UK Division is a dedicated team within UIB who deliver leading-edge insurance products and risk management strategies to support our international clients for all their UK-based insurance needs.

A DIVERSE RANGE OF TALENT

Supporting the wide cross-section of international businesses, UIB UK is uniquely placed to support your UK operations.

With specialists in property, casualty and liability insurance risks, UIB UK offers more than just general insurance services to international clients. We ensure that you have full confidence that your UK operations are as well protected as your other international operations.

The UK Division offers distinct specialities within one division - meaning that your business gets the specialist insurance advice it needs on its UK investments from a single, UK-focused team.

OUR CLIENT BASE

Through our international client base, we have experience in dealing with all types of risks from property portfolios to professional services organisations. We currently manage insurance programmes for a wide range of UK investments, including, property investment portfolio’s manufacturing facilities, media groups and medical product distributors.

“Personal client service and global risk solutions are at the heart of our offering”

WHY UIB UK?

By appointing UIB UK Division, you can be confident that your UK investments get the same high quality advice and service that your domestic and other international operations receive, including:

- Competitive UK insurance premium cost options, designed to match and complement your global risk and insurance programmes
- Up-to-the-minute impartial advice on developments in one of the world's most advanced and sophisticated insurance industries
- Access to a dynamic, competitive international insurance marketplace, enabling you to exploit potential differences in insurance premium costs on a global basis
- Personal service from a dedicated team who understand the complexity and requirements of international risk programmes, led by a senior account director
- Pro-active claims management and specialist support
- A partner who is committed to supporting your UK investment success
